

Debra Howell

Debra Howell is the Director of Information Technology for Infrastructure Properties and Planning at Cornell University. She is a creative, dynamic information technology professional who thrives leading and facilitating complex workplace and technology processes, developing talent from within, and collaborating with others to build the most effective computing environment. She has over 18 years of experience providing strategic direction to in all areas of information technology. Debra has an extensive background in facilitation, organizational change, teambuilding, and leadership. Debra received her Master of Industrial and Labor Relations degree from Cornell University in 2006. She is a certified Project Management Professional (PMP) and a Microsoft Certified Systems Engineer (MCSE). Debra is an Office of the Secretary of Defense certified Master Trainer and spends her free time volunteering as an instructor for Army Reserves Family Programs and the Yellow Ribbon Reintegration Program. She serves as Treasurer on the Cornell Club of Ithaca Board, the Vice Chair of Operations on the Board of the Friends of the Ithaca Youth Bureau, and is the Information Officer on the Board of the NYS ACE Women's Network.
